RESIDENTS RECOGNIZED FOR TREES & YARDWORK

The City of Harrison Tree Board hosted an Arbor Day celebration April 27. Attendees were each given a red oak sapling to plant. During the event, local citizens were recognized for their efforts to increase the tree canopy in the City.

Brandon and Carrie Poynter received a certificate of appreciation for planting two trees in Don And Vera Evans park.

Adopt-A-Plant Owner Beth Harnist was recognized for donating 50 Autumn Blaze Maple saplings to the City.

Representatives of St. John the Baptist Catholic Church and Lifespring Community Christian Church were also given certificates of appreciation. Both churches planted numerous trees at their new locations on Carolina Trace.

Residents are encouraged to share photos of their planting or other yard work as part of the City's Community Pride initiative.

In September, one participant will be randomly selected for a \$100 restaurant gift card. For details, visit the City's Facebook page or email jgreiwe@harrisonohio.gov.

Tim Tetz of Vietnam Veterans Memorial Fund (VVMF) gives a guided tour of The Wall That Heals to Harrison area students.

COMMUNITY COMES TOGETHER FOR VETERANS

According to VVMF staff, almost 12,000 people visited The Wall That Heals in June. The event would not have been possible without hundreds of volunteers. Some were from Harrison and some traveled hundreds of miles to be part of the event. Every step of the process—from planning, to installation, to cleanup—was powered by volunteers. Some even served as overnight guides at The Wall. A big thanks to JTM Food Group for providing space and many resources.
